

**FILED**

DEC 28 2011

UNITED STATES BANKRUPTCY COURT  
NORTHERN DISTRICT OF ILLINOIS  
EASTERN DIVISION

EUGENE R. WEDOFF,  
BANKRUPTCY JUDGE

In re:

CANOPY FINANCIAL, INC.

Debtor.

Case No. 09 B 44943

Chapter 7

**FINDINGS OF FACT AND CONCLUSIONS OF LAW IN SUPPORT OF ORDER AWARDING TO  
JENNER & BLOCK LLP, ATTORNEYS FOR TRUSTEE, FOR ALLOWANCE AND PAYMENT OF  
INTERIM COMPENSATION AND REIMBURSEMENT OF EXPENSES**

TOTAL FEES REQUESTED:	<b>\$241,418.50</b>	TOTAL COSTS REQUESTED:	<b>\$5,082.63</b>
TOTAL FEES REDUCED:	<b>\$3,328.40</b>	TOTAL COSTS REDUCED:	<b>\$377.29</b>
TOTAL FEES ALLOWED:	<b>\$238,090.10</b>	TOTAL COSTS ALLOWED:	<b>\$4,705.34</b>

**TOTAL FEES AND COSTS ALLOWED: \$242,795.44**

The attached time and expense entries have been underlined to reflect disallowance in whole or in part. The basis for each disallowance is reflected by numerical notations that appear on the left of each underlined entry. The numerical notations correspond to the enumerated paragraphs below. Due to the large number of time entries provided in the fee application, the court employed a sampling methodology to review the application. The court reviewed approximately one half of all detailed time entries and multiplied all disallowances identified during such review by two to arrive at the total amount disallowed. The court reviewed all detailed expense entries.

**(4) Insufficient Description**

The Court denies the allowance of compensation for the following task since the description of the time entry fails to identify in a reasonable manner the service rendered. *In re Pettibone*, 74 B.R. 293, 301 (Bankr. N.D. Ill. 1987) ("A proper fee application must list each activity, its date, the attorney who performed the work, a description of the nature and substance of the work performed, and the time spent on the work. [Citation omitted] Records which give no explanation of the activities performed are not compensable."); *In re Wildman*, 72 B.R. 700, 708-9 (Bankr. N.D. Ill. 1987) (same).

**(7) Lumping**

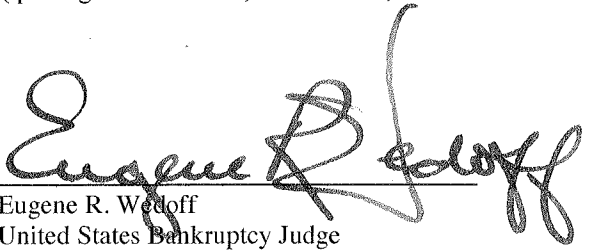

The Court may impose a ten percent penalty for "lumping." *In re Wildman*, 72 B.R. 700, 709 (Bankr. N.D. Ill. 1987) ("Applicants may not circumvent the minimum time requirement or any of the requirements of detail by 'lumping' a bunch of activities into a single entry. [citation omitted]. Each type of service should be listed with the corresponding specific time allotment.").

**(11) Overhead Costs are Non-Compensable**

The Court denies reimbursement for fees or expenses that are overhead costs. Expenses which are overhead are not compensable because they are built into the hourly rate. *See In re Wildman*, 72 B.R. 700, 731 (Bankr. N.D. Ill. 1987). Overhead, for bankruptcy purposes, includes "all continuous administrative or general costs

or expenses incident to the operation of the firm which cannot be attributed to a particular client or cost." *In re Convent Guardian Corp.*, 103 B.R. 937, 939-40 (Bankr. N.D. Ill. 1989) (quoting *In re Thacker*, 48 B.R. 161, 164 (Bankr. N.D. Ill. 1985)).

Dated: December 28, 2011

Eugene R. Wedoff  
United States Bankruptcy Judge
